

The 2nd ANNUAL ZEPHYRHILLS' COMMUNITY BLOCK PARTY IS COMING!

This event, which we began last year, is being held in the Zephyrhills High School gymnasium. This event provides families with a one-stop location for back-to-school needs, such as: before or after school care, tutoring, school-aged banking services, and school physicals that are needed for registration. Most importantly, we distribute school supplies. At last year's event, we were able to give away supplies to over 200 needy families and just as many back-to-school physicals and eye exams. We could not have accomplished any of this without the support and donations from local organizations and sponsors.
